ED. TRUE NORTHERNER:

There appeared a notice in some of our local papers last week of a strike of the engineers and firemen on the T. & S H. R. R. system. Now we are here to say there was no strike, no one quit work, and no one was discharged; nor was there any dishonorable intention, and the man that says there was is not a man, but a liar and more, a thief, for he would steal our former good name and reputation and place us before the public as a set of hoodlums. He is like a dog carrying a bone. He will carry one way as well as the other It also reminds us that all firms and corporations like all pumps have a sucker. The men who would tell such to injure their fellow men should have their names placed before the public that honorable men may pass such judgment on their crime as will convince these parasites that their action places them in the same category with those who, like Esau, sold their birth-right for a mess of pottage. Man's inhumanity to man in its worst form is acceptable to society in preference to that of the schemings of a traitor.

Now we hope, for our good name and past reputation, that every one will consider himself a committee of one and, sleuth-like, prosecute an investigation in this case and leave nothing undone to bring the guilty one's name before the public. When our good name is placed in jeopardy, for self or personal gain, it becomes our duty to endeavor, to our utmost, to punish the guilty. Let it not be said of us that we do not appreciate courtesies extended to us by our railroad officials, or others, but let us convince them by every honest endeavor in the future, as in the past, that they are priceless.

Respectfully yours, S. E. MUNGER

Great surprise was created, Monday, by news that Mrs. Willard Higgins of Otsego township was dead. It was learned that congestion of the brain was the cause of death, and that she was sick but two days or less. The funeral was held Tuesday. Mrs. Higgins was formerly Miss Hattie Blackman, was about sixty years of age, and sister to Hons. H. E. Blackman of Trowbridge and S. H. Blackman of Paw Paw. She was for many years a teacher in the public schools of Allegan and other towns of this county, and was a woman of rare excellence of character and superiority of mind .- Allegan Gazette,

She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. A Dog's Suicide.

In New York a dog committed suicide by jumping off a ferryboat. The owner, an old woman, asked a policeman to de-him at the dock until she got aboard, but as soon as the boat started the dog jumped for the deck, and, by a great effort, succeeded in pulling himself on board. Then he ran through the women's cabin with his nose to the floor, and found his mistress on the forward deck. His stumpy tail bobbed so fast that it His stumpy tail bobbed so fast that it was almost invisible, and if a dog ever laughed he did. The old woman was angry. She scolded him as though he had been stealing meat, and his tail gradually stopped wagging, while his head sank lower and lower. He walked slowly forward until he was on the edge of the deck, and looked mournfully across the water. He was the picture of dog despair. Suddenly he gave a bound far out into the river and in a moment the ferryboat had passed over him.—Cincinnati Enquirer. Cincinnati Enquirer.

## BAY WILKES,

A worthy son of the mighty George Wilkes, the greatest sire the world has ever known, having over seventy (70) with records from 2:18 to 2:20, and in the stud only nine years. Bay Wilkes never made a season in the stud until the fall of 1885; hence, his oldest colts are but 3 years old, and all of them are showing wonderful action and speed. A few of his colts, last season, trotted in from 2:34½ to 2:45, when less than three years old. They are nearly all Bays, are large, rangy fellows; no "outs" about them, as they are all sound.

are all sound.

BAY WILKES is regarded as one of the very best sons of the great George Wilkes. Bay Wilkes is as good a sire as stands in Michigan, and will make one good a sire as stands in Michigan, and will make one more season (1890) at the low price of \$25.00. Mares not proving in foal in 1890 can be returned free in 1891. Will stand in Paw Paw. No horse has ever stood in Michigan that can show a better lot of colts than Bay Wilkes can, and as soon as his colts are old enough and commence to drop into the '30 class, his service fee will not be less than from \$100 to \$200, and this will not be later than 1891. \$200, and this will not be later than 1891. THOS. WELCH.

## VAN BUREN WILKES.

Sired by Young Wilkes, dam by old Niget Hawk, grand dam by old Blue Bell. This colt is the best grandson of the mighty George Wilkes I have ever seen. He is a born trotter, from the ground up. You saw him trot at our Fair last fall a race every day, winning them all without making an effort and getting a record of 2:41, and showed, on our track, better than 2:28 in his three-year-old form. I place him, before fall, to trot as fast as any stallion in the Siate. I will allow him to serve a few mares at him, before fail, to trot as fast as any stallion in the State. I will allow him to serve a few mares at \$25.00 the season (1800). Mares not proving in foal can be returned free in 1851. After June 15th he will go into training, and you will see him trot in 2:20 or better this year. No man has two-(2) better Wilkes stallions than I have in BAY WILKES and VAN BUREN WILKES, and their services for almost a song. Will stand in same barn with Bay Wilkes, in Paw Paw, Mich.
